

## Acknowledgement to reviewers

The editorial team greatly acknowledge the assistance of reviewers who have dedicated their precious time and expertise to the journal's grueling editorial process over the past four months, regardless of whether the articles are finally published or not. In this issue a total of 15 articles were published. The editors would like to express their sincere gratitude to the following reviewers for their unstinting contribution for this issue of Journal of Cereal Research, Volume 12, issue 3 in 2020.
